

# RODALE'S environment action bulletin®

## INDEX: 1972

The following is a subject index to Volume 3 of *Environment Action Bulletin*, covering most of the articles appearing in *EAB* during 1972.

### Advertising

Boston Edison ads called ecoporn	01 01 4
children's TV ads called antinutritional	05 27 2
EAB assoc files against Johnson Wax claims	08 12 1
env premiums shape of things to come	08 26 7
FOE charges bank with deception	08 05 3
FTC to crack down on "organic" use	07 08 5
FTC to investigate image advertising	11 04 3
furs advertised as "cloth with hair"	08 05 6
Gravel asks FTC to investigate nuke ads	11 11 2
groups file against Weyerhaeuser ads	11 25 2
Johnson agrees to halt "organic" use	11 04 3
letters may influence FTC prosecution decisions	09 23 3
making use of NARB	07 22 6
Reader's Digest supplement called ecoporn	01 01 4

### AEC

Australian chairman calls for new weapons systems	06 24 5
charged with failure to comply with NEPA	06 24 7
fails to plan for nuclear wastes	05 13 5
opposition groups listed	12 09 4

### Agribusiness

money to help small farmers misused	05 20 2
TV program discusses industry entry into farming	03 25 7

### Air

car owners offered devices to reduce emissions	03 18 7
Conn. heads for cleaner air	03 25 3
NY having problems with new air law	04 29 7

### Architecture

env sound architecture is available	01 08 4
-------------------------------------	---------

### Automobiles

Cambridge citizens protest loud truck noise	10 07 2
emission tests to become routine in NJ	07 15 2
EPA proposes truck, bus clean up	07 01 3
Germans put cars into cold storage for winter	12 02 7
GM bus building challenged	12 30 7
how to reduce use of cars	03 11 2
NY moves to clean air by 1975	02 05 4
Ore. forms let citizen turn in car polluters	12 02 7
U Hawaii gives alternatives to autos course	12 02 7

### Bees

pesticides, chem fertilizers affect	12 23 7
-------------------------------------	---------

### Bicycle

1972—year of the bicycle (special issue)	08 19
bicycle standards established	08 19 4
list of groups encouraging use of	08 19 6
solves transport problems at airport	06 03 5
theft increases	08 19 5

### Books and book reviews

An Env Program, guide to developing env education	12 09 2
book, Promises Promises, by Dr. George Well	06 10 5
children's book, Recycle Me, being written	06 03 5
Consider the Process of Living	10 14 5
Dredge, Drain and Reclaim	05 06 2
env paperbacks available from EAB	11 18 1
Env Film Review	12 30 6
How to Stop the Corporate Polluters	12 02 6
Natural Foods Primer	05 20 7

Subjects are listed alphabetically and are designated by bold-face type; listings inside a subject heading are in order alphabetically, with subdivisions in order by date.

The number following a listing is the month, the day and the page on which the article appeared; i.e., for the first listing, 01 01 4 means January 1, page 4.

Oil Pollution and the Public Interest	12 16 7
Opportunities in Env Careers	01 22 6
People Problem	09 30 5
Problem of Solid Waste Disposal	12 30 6
Sane Living in a Mad World	08 26 6
Sowing the Wind	08 05 7
Sue the Bastards	09 23 3
<b>Certified Organic Farmers</b>	
listings appear in these issues	06 17 2
	06 17 8
	07 01 8
	07 08 8
	07 15 8
	07 22 8
	08 05 8

### Certification

new group gives env seal of approval	03 04 3
--------------------------------------	---------

### Chemical fertilizers

affect bees	12 23 7
-------------	---------

### Chemicals

alternatives for mothproofing	01 22 7
group helps chem-sensitive people lead normal lives	04 01 5

### Cigarettes

filter tips pollute beaches in Majorca	11 04 7
researchers study organic/non organic tobacco	11 04 7

### Clearcutting

groups file against Weyerhaeuser ads with FCC	11 25 2
---	---------

### Composting

composter wins court victory	12 16 1
conference announced for San Francisco	04 22 1
ecology explained through compost pile	04 01 5
Fabricant case may be legal landmark	02 12 5
GM enters field	04 22 6
recycling pays for community wood chipper	11 04 2
succeeding in goal to get wastes back to land	05 20 5

### Consumerism

beware of recyclable label	09 09 3
Consumer News available	05 27 3
consumers urged to beware of organic frauds	05 27 4
Federation of Homemakers becomes more active	10 07 7
Giant Supermarkets become more consumer oriented	04 01 3
How-To Forum sponsored by CAN	07 08 3
more needed in the food industry	02 12 4
Organic Living Society begins organic consumer svc	07 01 7
Peterson helps Giant Foods consumerism move	01 29 5
publication, Caveat Emptor, available	06 24 7

### Detergent

Ag Research Svc recommends modified soaps for laundry	08 05 4
NTA safety questioned	05 20 7
Senate committee recommends soap	02 05 3

### Economics

African countries ask ecological reparations	05 13 2
an env United Fund may be in the offing	02 12 7
church groups attempt to influence Kennecott	08 12 2
Common Market urged to tackle pollution	04 01 4
Common Market endorses Stockholm resolutions	12 30 7
economics of reusable bottles discussed	05 27 6

new bill in Pa may lower farm taxes .....	08 05 2
NY Senate passes env bonds .....	05 13 3
Pepsi invades USSR .....	12 30 2
profits won't sink with increased pollution control .....	04 15 4
<b>Eco action</b>	
a plan to save California coastline .....	10 14 6
fighting indiscriminate use of pesticides .....	09 09 7
fighting noise pollution .....	09 30 6
fighting nuke proliferation .....	01 01 6
fighting SST .....	09 16 5
fighting throwaways .....	01 08 6
fight to save NEPA .....	05 13 6
forced but efficient in USSR .....	08 26 7
help start organic food shopper service .....	01 29 5
make use of NARB .....	07 22 6
open up FDA files .....	06 10 6
organic farming conference in San Francisco .....	03 04 6
protest bills to limit citizen participation .....	03 25 6
suggestions needed for summer env jobs .....	02 05 6
support action to reclaim railroad land .....	07 15 6
support efforts to save Hackensack meadowlands .....	04 01 6
support family farmers .....	03 11 6
support new labels for pesticides .....	02 12 6
support of paper industry cleanup urged .....	05 27 6
support the right to adversary study .....	03 18 6
support the SO <sub>2</sub> tax .....	03 19 6
testify against nuclear power .....	10 21 6
<b>Ecology centers</b>	
list of .....	06 10 2
<b>Education</b>	
18-page paperback guide available .....	12 09 2
Antioch College has comprehensive env ed course .....	03 18 4
city farm teaches organic living .....	12 30 4
env kits available for children .....	06 10 5
Hard Tomatoes, Hard Times (special report) .....	08 12 4
help available for env studies courses .....	04 01 4
inner city children visit Rodale farm .....	09 09 2
Mich. task force to develop new env ed plan .....	07 22 7
radio series on pollution available .....	01 01 4
Rocky Mt. National Park offers seminars .....	01 29 5
schools lax in env controls .....	01 22 5
seventh grade students promote awareness .....	06 03 6
student env projects listed .....	01 15 4
teaching aids available from Rodale Press .....	11 04 1
U Hawaii offers alternatives to automobile course .....	12 02 7
university creates adversary course .....	02 12 6
<b>Energy</b>	
AEC charged with failing to comply with NEPA .....	06 24 7
AEC fails to plan adequately for nuclear wastes .....	05 13 5
best way to fight nuclear power .....	07 01 6
book, Promises Promises, by Dr. George Weil available .....	06 10 5
Boston Edison ads called ecoporn .....	01 01 4
electric heat wastes energy .....	08 05 4
FOE asks delay on oil lease sales .....	08 12 3
FOE charges energy ad deception .....	08 05 3
geothermal energy may be a remedy to power crisis .....	07 22 2
groups organize to fight nuclear power plants .....	03 04 4
Maine refinery plans are battled .....	04 01 4
Nashville project to recycle energy from incineration .....	08 05 2
National Intervenor—member groups .....	12 09 4
oil, gas producers waste enough to heat a million homes .....	07 08 6
only zero emission sources of power would help Calif. air .....	07 08 3
power utility watchdogs organize .....	01 15 3
power and priorities (special feature by Sen. Mike Gravel) .....	07 29 4
saving power during summer .....	07 22 7
solar power .....	12 02 3
special nuclear power issue .....	11 11
Storm King battle heads for high court .....	03 04 5

## Env Protection Agency

legislative director dismissed for political moves .....	02 19 7
study opposing returnables nonexistent .....	02 19 4

## Farming

Ag Accountability Project reports on grain deal .....	10 14 4
Center for Rural Studies to research land reform .....	06 03 3
Hard Tomatoes, Hard Times (special report) .....	08 12 4
hidden costs of agribusiness foods .....	11 04 6
money to help small farmers misused .....	05 20 2
new bill in Pa may lower farm taxes .....	08 05 2
Northwest Farm Brigade wants you .....	07 01 4
Pa Dept of Ag has strong interest in family farming .....	05 27 4
small farms needed in Latin American countries .....	06 03 4
support family farmers .....	03 11 6
support urged for family farmers .....	12 16 4
tougher meat rules hurting small farmers .....	04 29 5
TV program discusses industry entry into farming .....	03 25 7
USDA ignores organic gardening in new yearbook .....	09 09 2

## Fertilizer

sewage sludge produces hay .....	05 20 4
----------------------------------	---------

## Films

Env Info Center offers films on env issues .....	08 26 2
Env Film Review available .....	12 30 6
env films sought for annual review .....	05 27 3
Looking for Organic America .....	07 08 1
several available at reasonable rates .....	03 25 7

## Fishing

aquatic resources jeopardized (special features) .....	08 26 4
--	---------

## Food

Delaney Amendment under attack .....	10 21 7
Federation of Homemakers active in consumer field .....	10 07 7
Peterson helps Giant Foods to be more consumer oriented .....	01 29 5

## Food Co-ops

list of .....	09 16 2
national conference held .....	09 16 2

## Federal Power Commission

to fight ruling against them based on NEPA .....	03 18 7
--	---------

## Federal Trade Commission

letters can influence prosecution decisions .....	09 23 3
to investigate image advertising .....	11 04 3

## Health

cadmium in gasoline may be hazard to .....	04 01 7
chemicals in soft drinks attacked for damaging .....	02 05 5
children's TV ads called antinutritional .....	05 27 2
latex paint may be a hazard .....	07 08 6
leukemia attributed to H-Bomb test .....	12 09 6
NIMH finances training of medicine men .....	07 15 2
Pepsi invades USSR .....	12 30 2
production of junk food is major industry .....	03 11 4
souvenirs from bombsite may be dangerous .....	12 09 6
uranium mine tailings may be hazard to .....	01 01 3

## Highway Trust Fund

special issue .....	11 18
---------------------	-------

## Jobs

ecology placement service .....	06 10 7
ecology placement service .....	12 02 2
Ohio needs scientists for mercury waste suit .....	04 15 7
Pa Dept Ag seeks agricultural jobs for welfare people .....	05 27 4
summer volunteer jobs in national parks .....	02 12 6

## Land use

African countries ask for ecological reparations .....	05 13 2
amendments urged to unfavorable Aspinall bill .....	07 01 2
Aspinall bill opposed by env .....	08 26 3
Berkeley Center for Rural Studies to research land reform .....	06 03 3
club, This Land Is Your Land, plans to buy land .....	02 12 4
coalition petitions for reclamation of railroad land .....	07 15 6
correction to story on American forests .....	03 04 2
Dredge, Drain and Reclaim (book) available .....	05 06 2
